Functional Precision Medicine in Blood Cancer
Tuesday, March 10th, 2020
Auditorium Christian Gerber, Balgrist University Hospital

CRPP Precision Hematology / Oncology, UZH
Dear Colleagues,

We cordially invite you to the 2020 Functional Precision Medicine in Blood Cancer Symposium that will be hosted in the context of a European Functional Precision Medicine Initiative.

The symposium will take place March 10th, 2020 in Zurich and will bring together global experts on high-throughput drug screening, precision medicine and blood cancer.

We are looking forward to welcoming you at the 2020 Functional Precision Medicine in Blood Cancer Symposium.
