

## Information

### Registration

Until February 20th, 2019 at  
[www.usz.ch/Precision-Onc-Symp-2019](http://www.usz.ch/Precision-Onc-Symp-2019)  
or [kathleen.beese@usz.ch](mailto:kathleen.beese@usz.ch)

### Organisation

University Hospital Zurich  
Comprehensive Cancer Center Zürich  
Prof. Dr. Rolf Stahel  
[www.cccz.usz.ch](http://www.cccz.usz.ch)

### Speakers

#### Dr. Christian Britschgi

Center for Hematology and Oncology, USZ

#### Dr. Rodrigo Dienstmann

Vall d'Hebron Institute of Oncology, Spain

#### Dr. Ralph Fritsch

Universitätsklinikum Freiburg, Germany

#### Prof. Dr. Mitch Levesque

Department of Dermatology, USZ

#### Prof. Dr. Nuria Lopez-Bigas

IRB, Barcelona, Spain

#### Prof. Dr. Holger Moch

Institute of Pathology and Molecular  
Pathology, USZ

#### Prof. Dr. Olivier Michielin

CHUV, Lausanne

#### PD Dr. Patrick Roth

Department of Neurology, USZ

#### Prof. Dr. Christos Sotiriou

Institute Jules Bordet, Belgium

#### Prof. Dr. Michael Weller

Department of Neurology, USZ

#### Prof. Dr. Thorsten Zenz

Center for Hematology and Oncology, USZ

### Credits

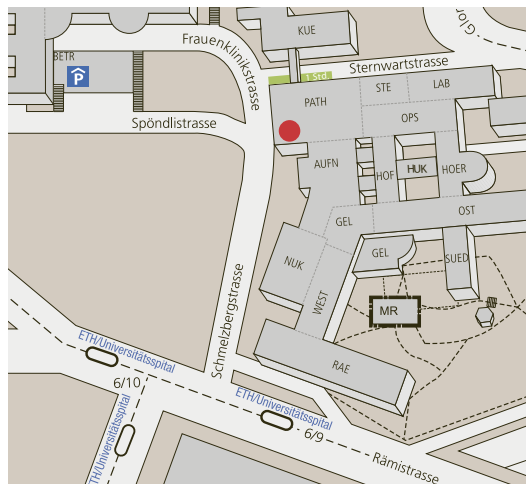

6 SGMO Credits

### Venue

University Hospital Zurich  
Great lecture hall PATH D22  
Rämistrasse 100  
8091 Zürich

### Directions

Tramlines 6, 9, 10 to tram stop

## First Zürich Precision Oncology Symposium

Thursday, March 7th, 2019

9.45 – 17.30 h

Great lecture hall PATH D22

University Hospital Zurich

Das Spital der  
Eleonorenstiftung

## Welcome

Dear colleagues

We kindly invite you to take part in the first Zürich Precision Oncology Symposium organized by the Comprehensive Cancer Center Zürich (CCCZ).

Precision Oncology reveals new opportunities for patients with malignant diseases. This is based on the rapid developments of diagnostic tools, which allow to identifying oncogenic alterations in common as well as in rare malignancies and may provide patients access to targeted treatment options.

The CCCZ offers a wide range of platforms for molecular analysis of tumors and liquid biopsies and has established a molecular tumor board, which meets weekly to interpret molecular results and make recommendations for therapy.

At our first Zürich Precision Oncology Symposium, a panel of national and international experts will provide an overview and discuss recent developments of the field.

We are looking forward to your participation!

Rolf Stahel  
Chair CCCZ

Markus G. Manz  
Board CCCZ

Michael Weller  
Board CCCZ

## Program

09.45 h

### Welcome

Chairs: Rolf Stahel, Markus G. Manz, Michael Weller

### Molecular Testing and Molecular Tumor Board

09.50 h

**Precision Oncology in a Phase I Unit** – Rodrigo Dienstmann

10.10 h

**Platforms and Algorithms for Precision Oncology** – Holger Moch

10.30 h

**Challenges and Pitfalls of Basket and Umbrella Trials** – Michael Weller

10.50 h

**Discussion**

11.05 h

Break

### Keynote address

11.30 h

**Cancer Genome Landscape** – Núria López-Bigas

12.10 h

**Discussion**

### Precision Oncology for Solid Tumors 1

12.15 h

**GI Tumors** – Ralph Fritsch

12.35 h

**GU Tumors** – Christian Britschgi

12.55 h

**Discussion**

13.05 h

Lunch

### Precision Oncology for Solid Tumors 2

13.50 h

**NSCLC** – Rolf Stahel

14.10 h

**Breast Cancer** – Christos Sotiriou

14.30 h

**Sarcoma** – Christian Britschgi

14.50 h

**Discussion**

### Precision Oncology for Hematologic Malignancies

15.05 h

**Lymphoid Malignancies** – Thorsten Zenz

15.25 h

**Cases from the Molecular Tumor Board** – Staff

15.45 h

**Discussion**

15.55 h

Break

### Ongoing Research Activities

16.15 h

**SPHN** – Olivier Michielin

16.35 h

**ImmunoCure** – Patrick Roth

16.55 h

**Tumor Profiler: Melanoma** – Mitch Levesque

17.15 h

**Discussion**

17.30 h

Wrap up and Apéro
